Dear Local Businesses:

Keya Paha Schools will be celebrating Homecoming 2018 with a parade on Thursday, September 12, 2018 and we would love to have you join us! The theme for this year's Homecoming is **FOOD**.

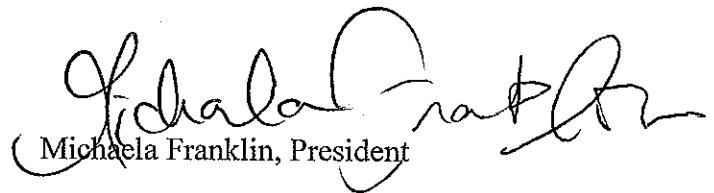

If you plan on participating in the parade, please be at the high school by 1:00 pm. The parade will start at 1:30.

We would appreciate you completing the written information portion of the entry form so that details about your float may be provided to the announcer. We will need to receive the completed entry form by Tuesday, September 10th so that we may line up the parade entries.

If you have any questions, feel free to contact Brenda Franklin at the High School at 497-3501.

Sincerely,
KPHS Student Council
